

The Israel Connection

June 2009 Issue

Greetings in the Precious Name of Jesus from the Holy Land of Israel,

We pray that you are all well and praising our Lord and Savior Jesus Christ.

We would like to thank you for your generous donations on HP Level Two, and for all your prayers for us and the ministry here in Cyprus and in Israel. We are so grateful to the Lord for you, for we would not be able to do what we are doing if it wasn't for your help.

You are touching lives through our ministry for the Kingdom of God, and when we tell them that it is because of help from brethren like you that we are able to go—they are also grateful and bless you.

We praise God for you, for we know that this money is collected from people who give sacrificially. We pray for you and ask that our Lord would bless you all richly in all your needs. Thank you once again.

On our last visit to Israel, which was at the end of March, the Lord blessed in a special way. We were able to minister to our people there and encourage them in the faith, but also visit and pray for the sick, encouraging them in the Lord. A husband of one lady we prayed for was so touched he invited Jesus into his heart. Some new doors were opened to us and we received invitations for the next time we visit. We are hoping to do this soon, now that we have more funds. We are praying that the Lord would help us to spend more time there than we have been able to do in the past.

Please keep us in your prayers so that we will hear His voice and do His will, for we know we cannot do anything without Him. We want to glorify Him in every way.

*Blessings in Jesus' Mighty Name,
Michael and Soula Charalambous
