

## Praise and Worship that Rocks

Guest Presenter: Yancy

### Kids worshipping God is powerful stuff!

“God, brilliant Lord, Yours is a household name, nursing infants gurgle choruses about you and toddlers shout the songs that drown out atheist babble” (Psalm 8:1, 2)

### 3 Tips for Powerful Kidmin Worship

#### #1 It's More About Leadership Than Musicianship

- Leading worship is more about your leadership ability than your musical ability
- To lead worship means more than just standing up there and singing songs.
- Leading worship is a lot like an aerobics instructor, we are there to cast the vision. Encourage. Push and challenge for participation.
- You might not be the best singer and that's ok... don't sing in a mic. But you can lead others by your example and through your encouragement to jump in and sing to the Lord with their whole heart.

#### #2 You Can Engage All Ages Even Boys

- Problem: Most churches have ages combined..
- Your music should engage the audience
- What does your music sound like?
- Who is leading your worship?
- Does your leader and team look like they are having fun?
- Problem: We have a preteen specific program and still have a lack of participation in worship.

#### #3 Become a Rockstar at Using Video Tracks

- Prepare
- Reminders for using soundtracks effectively

#### What can you put into practice this week?
