

### SHOW NOTES

## Interview with Jonathan Olavarria

Guest: Jonathan Olavarria

The concepts of child discipleship and faith formation aren't necessarily something that is new to us at International Children's Ministries. How have we already been making this shift and addressing these needs in previous years and seasons?

Where do you see this initiative benefiting our families and churches in the future?

What might you see as a challenge that we will have to address? (It could be content, a denominational challenge, or even a challenge you see as a parent or leader).

What types of resources and materials can our people expect to see developed in the coming years?
